

Courtiers has three dedicated visitor parking spaces in Henley: two immediately by the office and one within a Private Car Park, accessible through Greys Road Pay & Display Car Park, marked with a Courtiers Private Parking sign.

### Office Parking

The entrance to our two office parking bays is on the same side as the Courtiers building, through a narrow archway by Hamptons Estate Agents. Careful navigation is required to avoid walls and residential postboxes.

**Please note, the code required to open the gate on arrival is 1802# (the keypad is on the right hand wall).**

Once through the archway, parking is immediately on your left-hand side by a black metal staircase.

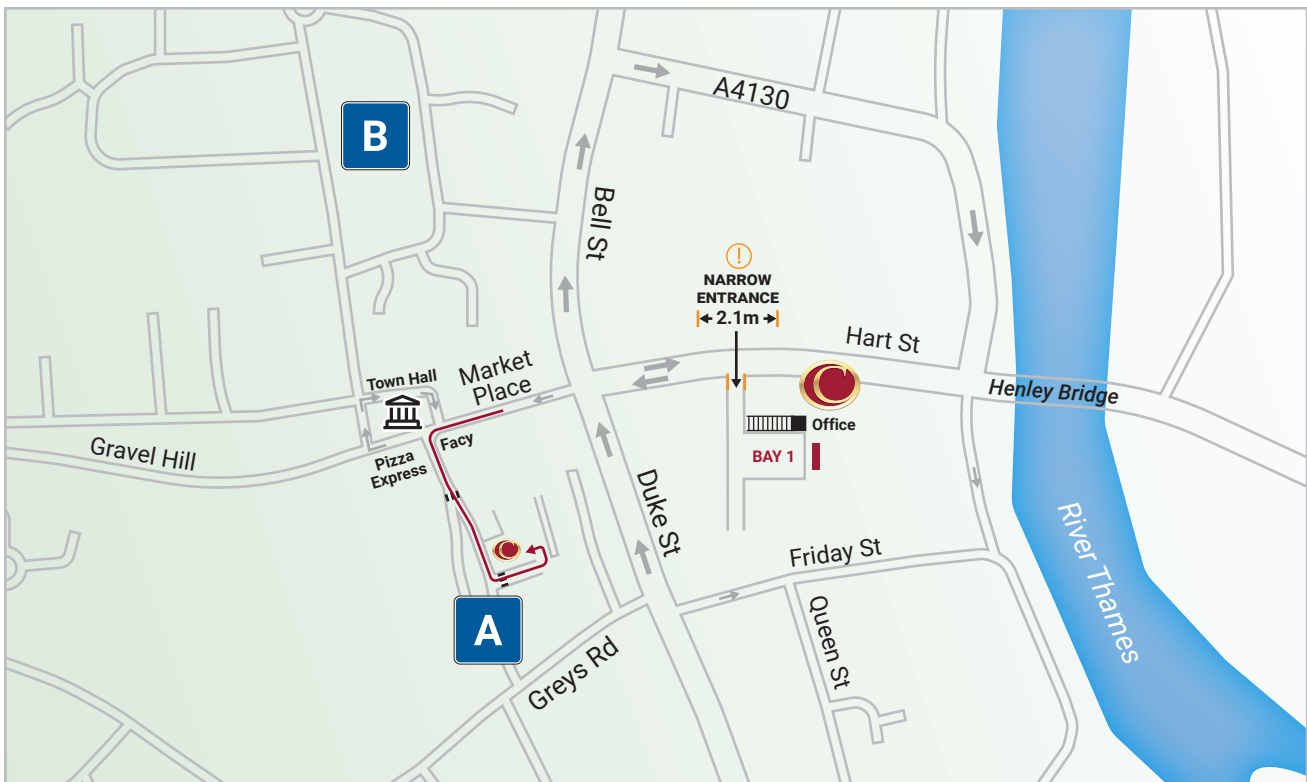

To walk back through the gate, press the green button on the metal box on the left near the gate. The gate will open towards you.

On leaving, drive slowly towards the gate, careful not to drive too close. The gate will automatically open towards you.

### Private Parking - accessible through Greys Road Pay & Display Car Park

Drive towards Henley Town Hall along the one way road beside Falaise Square. On reaching the junction, turn immediately left into Greys Road car park. As you enter the car park, on the left are disabled parking bays before a pedestrian crossing. Turn left over the pedestrian crossing and look to the left for a Courtiers Private Parking sign. Enter here and visitor parking is immediately on your left: an elongated bay marked as two spaces. Unless advised otherwise, feel free to park across both bays for convenience.

If you'd like any assistance with parking, please let us know.

### Alternative Parking

**A** Greys Road Pay & Display  
Short stay up to 3 hours

**B** Kings Road (Waitrose)  
Short stay up to 3 hours
