As of 30/04/2025

Investment Returns Since Launch

Investment Objective

The Fund aims to achieve Capital Growth and Income from a portfolio of global company shares over a period of between 5 and 10 years. Only shares aligning with the negative screen applied by Courtiers Ethical Screening Criteria will be considered permissible investments for the fund.

Investment Policy

To achieve its objective, the Fund will invest in shares of global companies. The Fund may also invest in other transferable securities such as units/shares in investment funds, global shares, investments issued by banks or governments that are a short term loan to the issuer by the buyer, warrants, cash and near cash and deposits. Derivatives (investments whose value is linked to another underlying investment such as shares or performance of a stock exchange) may be used to reduce risk or cost and/or to generate extra income and growth.

There is no guarantee that the Fund will achieve its objective over any particular period or at all.

To help investors compare funds with broadly similar characteristics, the Investment Association (the trade body that represents UK investment managers) has grouped many funds sold in the UK into sectors. This Fund is classified in the Investment Association Global sector. Investors can use this sector to assess the Fund's performance.

Charges

Initial Charge	0.00%
Ongoing Charge	2.21%

The Ongoing Charges Figure (OCF) for the Couriers Ethical Value Equity Fund (EVE) reflects all the costs involved with managing the fund. The EVE fund is relatively new and has incurred one off costs as part of the set-up which won't be incurred again. The overall OCF should decrease over time as the fund increases in value and the fixed costs are diluted.
